

Jim Marshall, a slick talking politician

**He has a history for
saying one thing in
Georgia...**

**...but doing another
when he gets to
Washington, D.C.**

Example

1

He says he supports farmers, but he actually **voted to keep the Death Tax.**

(Source: HR 8, 6/18/03)

The Death Tax allows the government to tax people a second time on the money they earn and forces many Georgians to sell off their family farm or small business when their parents pass away.

That's not supporting farmers.

Example

2

He says he supports taxpayers, but Jim Marshall voted with liberal San Francisco politician Nancy Pelosi to **aid illegal immigrants with tax paid benefits.**

In fact, Marshall **voted against prohibiting illegal immigrants from getting food stamps.**

(Source: HR 4766, 7/13/04)

Example

3

He says he is strong on national security, but Jim Marshall **voted against sanctioning the terrorist group Hamas** and voted to allow OUR tax dollars to be sent to the Hamas government.

Hamas is responsible for killing hundreds of Israeli citizens using suicide bombers and calls for the complete destruction of Israel.

(Source: HR 4681, 5/23/06)

**In Georgia, Jim Marshall talks like a conservative.
But in Washington, Marshall's votes
prove he really IS a liberal.**
