

# Families Need Affordable Health Care

Many small businesses want to provide their employees with health insurance, but Congresswoman Darlene Hooley is standing in their way.

Hooley voted AGAINST allowing self-employed and small businesses to band together to purchase private health insurance coverage at a cheaper group rate.

Hooley says she wants Oregonians to have access to the quality health insurance she receives as a member of Congress, **but she has actually denied small businesses access to affordable health care.**

# Our Soldiers Deserve Quality Health Care

Our troops who are serving on the frontlines in the War on Terror deserve the very best health care when they are sick or injured.

## That's why Hooley's vote is so shocking.

Congresswoman Darlene Hooley voted **AGAINST** increasing spending on military health care by millions of dollars.
