Denying Our Troops Quality Health Care

It is our duty to ensure that our troops in harm's way receive the best treatment if they are sick or injured.

But Congresswoman Darlene Hooley **voted AGAINST increasing spending on military health care** by millions of dollars.

She even voted **AGAINST giving military personnel a modest pay raise.**

Failing to Properly Equip Our Troops

Darlene Hooley voted AGAINST giving the Defense Department the ability to quickly acquire the equipment our troops need during combat emergencies.
