AMBER Alert was designed to notify the public of a missing child or a suspected abductor. It has contributed to the safe recovery of hundreds of children.

Alan Mollohan voted AGAINST enhancing the AMBER Alert program.

His vote was *against* additional protection for children from sexual predators and *against* stricter sentencing for child pornography.

So what has Alan Mollohan done for our families?

For starters, ***Alan Mollohan voted against making the child tax credit permanent***, which means families would be forced to pay more in taxes.

A woman is sitting at a table, reading a book to a young child. The child is looking at the book with interest. There are other children and a potted plant in the background.

Mollohan also voted multiple times against continuing Head Start, an education program that helps prepare young children for school.
